What is Winter Enrichment: Winter Enrichment is a six week after school program, offering a variety of courses to meet the many interests of our students. Once a week students stay after school to enjoy some of their favorite activities or learn a new skill!

Registration: Registration takes place in person on Wednesday, January 20 in the school cafeteria from 6:00-7:00 pm. You will pay the instructors directly via check or cash only.

Please note: Classes fill quickly, so be sure to arrive early, and have alternate course selections. Instructors will be on hand to answer your questions, and collect payment and registration forms. This will be the only opportunity to enroll in winter enrichment.

Late registrations are NOT accepted by the school. If space permits, they may be accepted by individual instructors on a case by case basis. Please contact the Winter Enrichment Co-Chairs with questions.

***Again, any late registrations received by the school will be declined.***

Please contact Angie Strickland and Allyson Padilla with questions gordonwinterenrichment@gmail.com.
Amusement Park with Bricks 4Kidz®  Cost: $65
Get your ticket to ride at Bricks 4Kidz® amusement park! Students will build a popular amusement park ride each week, learning how to make things spin, roll, turn and rock. After learning the history and science behind each ride, students will build it using our specialty kits made up of LEGO® technic bricks, gears and axels. Motorized models maximize the action and the fun. All students will build a custom mini-figure to ride the rides each week and take home at the end of the session.
Grades eligible: K-5
Instructor: Edible Education chef

Digital Digits  Cost: $70
We are going to have a wonderful time learning about how to play the piano in a class piano setting! In regular music classes at school, I will be teaching the very basic skills of piano. But, in Digital Digits students will be able to take those skills to the next level and truly begin piano lessons! In Digital Digits, we will be learning to play the piano on electronic Yamaha Keyboards. So of course while we are learning, we will just have to add some cool sounds and back up beats! Students will be able to work together in both group and solo settings helping us to move right along through some fun songs! Also, along the way we will discuss some exciting stuff about the piano!
Grades eligible: 3-5
Instructor: Renee Douglas

Drama Kids  Cost: $65
Join Drama Kids for our special 6-week program where students will participate in a wide range of new dramatic activities that include: mini-scripts, characterizations, scene starters, speech and movement techniques and improvisation skills. Above all, our drama classes are fast paced, great fun, and have new activities and lessons each week. The session concludes with a wonderful mini-performance in class for family and friends.
Grades eligible: K-5
Instructor: Amy Lollo Hurt

Edible Education – Winter Wonderland  Cost: $115
This winter is poised to be a warm one, but it will be a frozen, snowman extravaganza in this entry-level cooking course. Students will learn safety, sanitation, basic culinary skills and nutrition while making fun snowmen pizzas, Olaf milkshakes, coconut hot chocolate and ending with fun St. Patrick’s Day foods. As always, Edible Education never uses artificial colors, ingredients or hormone foods. Students receive an insulated tote bag and electronic recipes, along with great food to take home. All Edible Education classes are nut free, and dietary accommodations for gluten and dairy free can be made.
Grades eligible: K-5
Instructor: Edible Education chef

Eggbert’s Great Adventures!  Cost: $60
Eggbert is off for a great adventure! Boats, Bridges, Catapults, Roller Coasters oh my! Eggbert has an engineering challenge each week. Come join Mrs. Brown and Eggbert for 6 amazing challenges. We will design and build obstacles for Eggbert to overcome!
Grades eligible: K-2
Instructor: Dena Brown

KABOOM and CRASH Science  Cost: $80
In KABOOM and CRASH Science, Chemistry + Engineering = FUN, FUN,FUN! In this hands-on science class, you will experiment with chemical reactions to make a bouncy ball, volcano, slime and launch a rocket. You will then create an engineering project that goes with each of your lab creations such as a catapult, boat, a parachute and more. If you love to do science experiments, build things or do STEAM activities, then you will LOVE this class! Price includes all materials needed for the class and science goggles.
Grades eligible: 3-5
Instructor: Janet Phillips

Get Ready to Play Golf  Cost: $55
Get ready to play golf with instruction from golf pros from Windy Hill! Participants will learn proper grip, stance and posture; chipping and pitching with Snag Golf; full swing; rules and etiquette; putting. Each participant will receive coupons and passes to be used at Windy Hill and a one month Golf Course Pass! What a great value!!!
Grades eligible: K-5
Instructor: Amy Blaylock

Hands-On Grossology!  Cost: $100
Becoming a Grossologist can be stinky, slimy, and disgusting! Sign up for this hands-on session to explore the grossness in the world around you! Each week we will investigate gross topics and complete totally gross experiments! Ever wonder what the inside of an eye looks like? Have the urge to dig through owl pooh? Want to explore the inside of a frog? We’ll explore digestion; make fake vomit, pseudo snot and more!!
Grades eligible: 3-5
Instructor: Jim Wright

Hip Hop  Cost: $89
Hip Hop is a high-energy dance form that uses the latest sounds in rap, R&B, and pop music, and is perfect for boys and girls who love to move! This fun-filled class immerses students in all aspects of motion, developing their balance, coordination and strength, as well as promoting creativity, teamwork, and self-esteem. We use child-friendly music in all of our Hip Hop classes (often Kids Bop), and all movement is age appropriate. Parents are invited to join us on the last day of class for a Parent’s Day performance.
Grades eligible: K-4
Instructor: Tommie Shaw & Company staff

**I am a Princess**  
*Cost: $90*

If you are a Princess and you like the movie FROZEN, then this is the class for you to take. Mrs. B. would love for you to join her in the art room to create Olaf in the winter, Olaf in the summer, and Elsa’s frozen castle!  
Grades eligible: K-2  
Instructor: Bonita Bertovich (Mrs. B)

**Mind Math**  
*Cost: $95*

Mind Math, or Mental Math, is a method used by all countries whose children top the chart in math scores like Singapore, Hong Kong, South Korea, Japan, Shanghai-China. Because they start early, students in those countries consistently and definitively outperform our own. 
And this is how: An ancient tool called the ABACUS! It trains the whole brain in young children, which is the right way to learn math. Children who learn math this way have great confidence in their abilities, develop an early love for math, and excel in all future endeavors involving math. Students who train the in the Mind Math method are 1 to 3 math levels ahead of their current grades, with 2 levels being the average. 
Grades Eligible: K-5  
Instructor: Angela Craven

**Tae Kwon Do**  
*Cost: $55*

Master Cho has been teaching Tae Kwon Do for over 25 years. This class incorporates learning and fun into a structured life-skills curriculum. Our class is designed to incorporate our Tae Kwon Do themes into everyday life, from the school to the home: respect, self-control, consistency, and confidence are all major parts of every class we teach. Everything is presented in an age-appropriate manner, and we know your student will love it!  
Grades eligible: K-5  
Instructor: Master Cho, Master Park

**Tennis**  
*Cost: $90*

Gordon students, take a swing at exploring the dynamic striking sport of Tennis! This fun course will provide you with activities that will develop the fundamental skills needed to enjoy this lifetime sport. Each lesson will include: 1) Introductory Activity, 2) Fitness Activity, 3) Focus Skill Development, 4) Game Play. Playing tennis promotes fitness, camaraderie, and friendly competition. Can’t wait to see you on the court!  
Grades eligible: 4-5  
Instructor: Anthony Johns  
Required supplies: tennis shoes

**Wonders of Watercolor Painting**  
*Cost: $72*

This exciting class is for the artist who wants to paint in watercolor. During this program you will learn about the tools, the techniques and the skills required to paint with success. Artists will learn to paint in layers using washes, how to mix colors, and how to use professional techniques to create interesting textures and patterns. We will learn about the color wheel and how to use complementary and contrasting colors. Artists will paint a landscape scene, a still life and a fun, colorful and favorite animal. This is a great program to build fundamental skills and knowledge for today and the future. Come join the fun!  
Grades eligible: 3-5  
Instructors: Doug Mock  
Required supplies: smock or apron

**MINECRAFT in the Gordon Library!**  
*Cost $95*

Calling all MINECRAFTERS: Are you up for the challenge? Be ready to enter different Minecraft worlds and complete missions. Learn how to hunt zombies, Build a suit of armor, and tame an Ocelot. We will work together to accomplish missions, solve mysteries, and create worlds. No experience necessary! MINE ON!  
Grades eligible: 4-5  
Instructor: Tara Hannon

**Pettiway’s Pinterest**  
*Cost: $95*

Pin this! Pin that! Calling all crafting divas...Pettiway’s Pinterest is perfect for all creative little crafters. Each session is packed with Pinterest worthy craft products. This class will explore topics such as, “Do You Want to Build a Snowman?”, “Ready, Set, Play!”, and “Perfect Little Princess!”, just to name a few. There will never be a dull moment as little crafters put their personal touch to each creation and get their creative juices flowing! Students will be thrilled with their final products each class session to display, use at home, or play with family and friends. The creative crafting possibilities are endless in Pettiway’s Pinterest class.  
Grades eligible: K-5  
Instructor: Kim Pettiway
